22-32-116.5 CRS Language (NOTE: The following is the Colorado High School Activities Association's analysis of this legislation)

(b) Any student may participate in an activity through any amateur association or league of which the school or school district is not a member, and such participation shall not prevent the student from participating or affect the student's eligibility to participate in the same activity at any school, subject to the limitations specified in this section. Prior to participating in any activity through such an amateur association or league, the student shall obtain the express written permission of the principal of the school at which the student participates in the activity, which permission shall be granted if: (I) The student's class attendance is not compromised; and (II) The student is in good academic standing under the school's activities policy applicable to all students.
